Please see additional disclosures at the end of document.

Country Performance

As of June 30, 2024

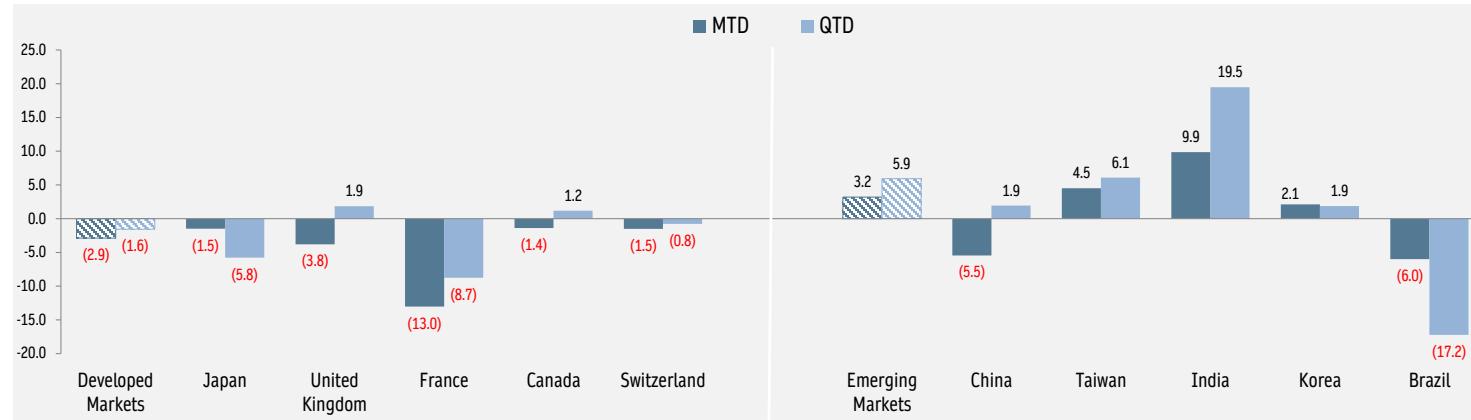

- In June, Europe weighed on returns in developed markets, while EM made gains across market caps.
- In Q2, developed markets underperformed due to declines in Japan and soft returns in Europe. Emerging markets were the best performers in the quarter driven by strong gains in India and Taiwan.

MSCI World ex-US Small Cap Index (Developed Markets)

As of June 30, 2024

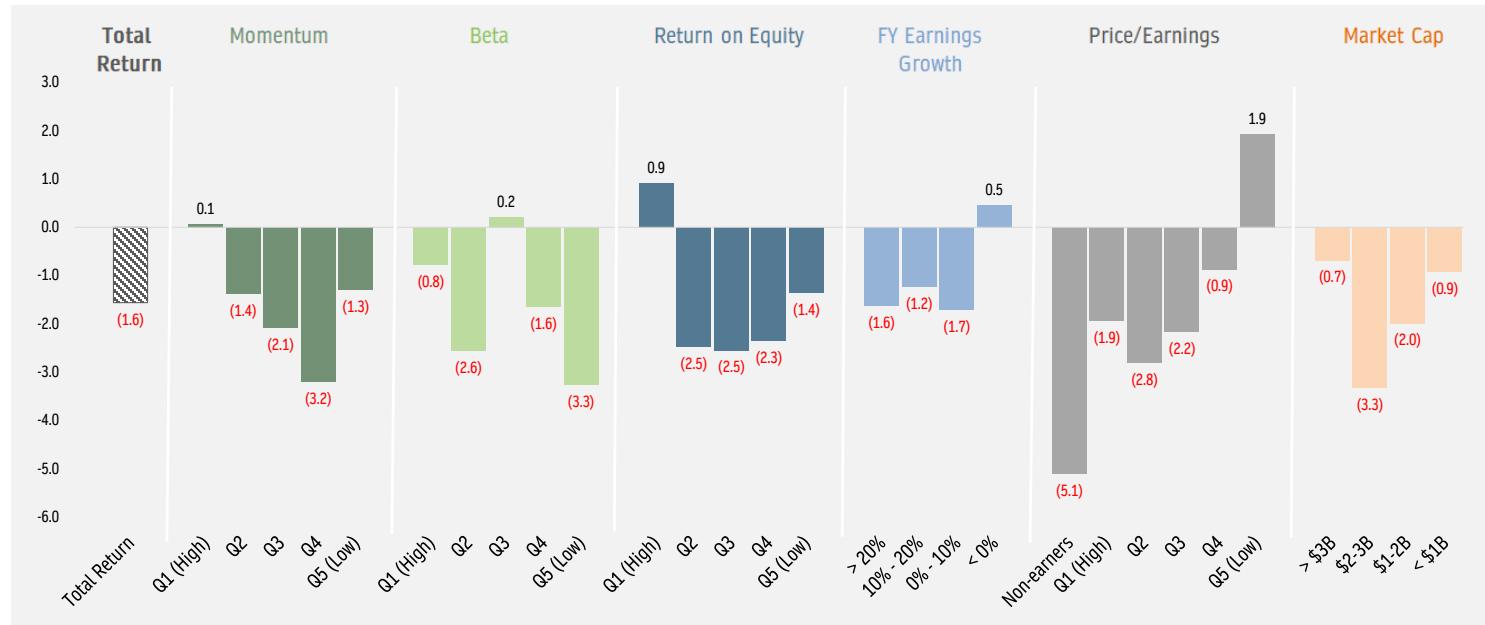

- There was nowhere to hide in developed non-US small cap in June. The index was led lower by the lowest momentum stocks which were down 4.9% in the month. Stocks with higher beta, the lowest ROE and non-earners also lagged.
- In Q2, non-earners were the biggest drag on the index, down 5.1%. The lowest P/E stocks were the best performers, up 1.9%, while the highest ROE, stocks with negative earnings growth and high momentum also managed to eke out gains.

MTD

QTD

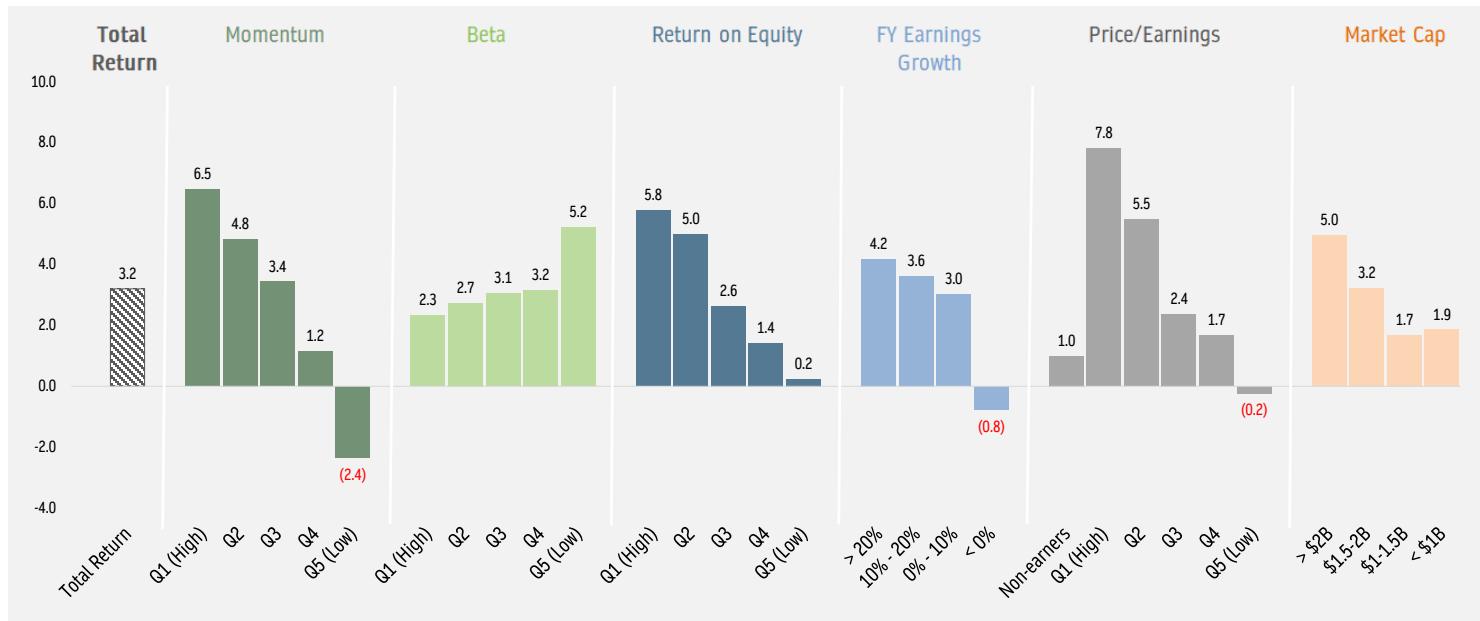

MSCI Emerging Markets Small Cap Index

As of June 30, 2024

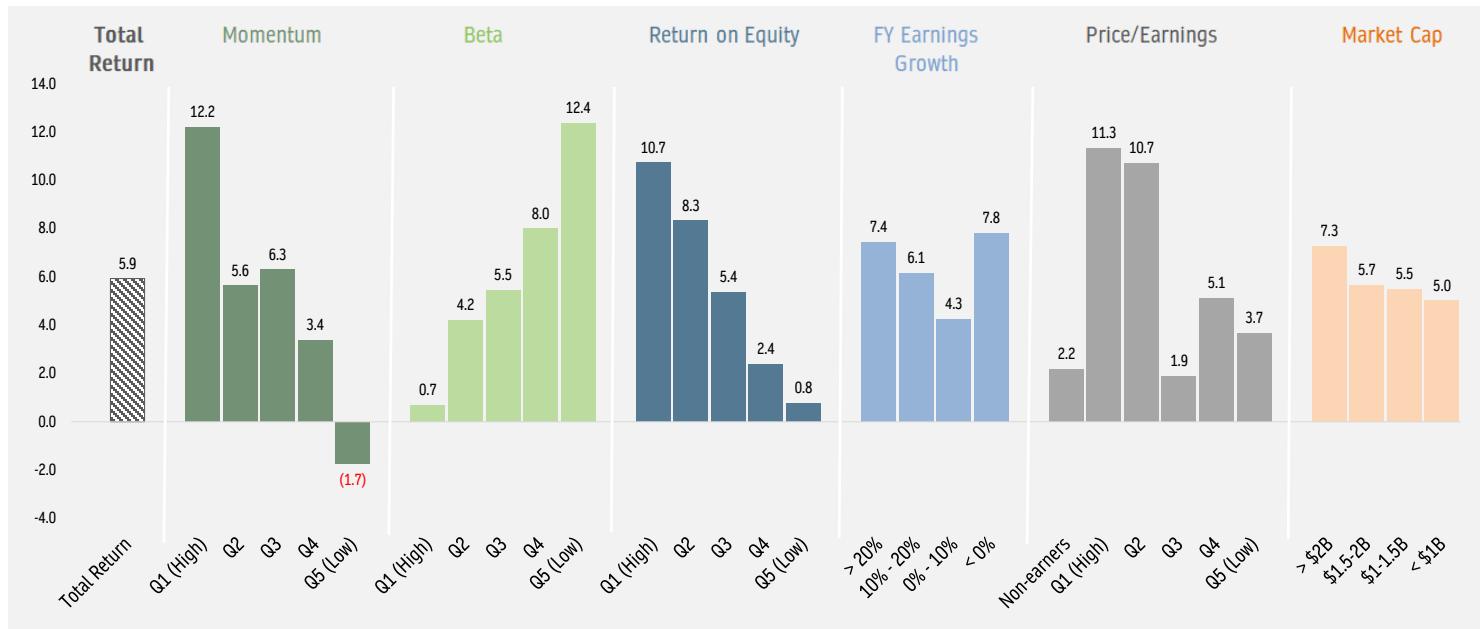

- In EM small cap, stocks with higher P/E and higher momentum did best in June. The highest quintile momentum stocks outperformed the lowest quintile by 882bps in the month. Lower beta and quality elements such as higher ROE and higher earnings growth also outperformed.
- In Q2, stocks with lower beta, higher ROE, high earnings growth, and larger market caps outperformed in the quarter. High momentum stocks outperformed low momentum by over 13 percentage points.

MTD

QTD

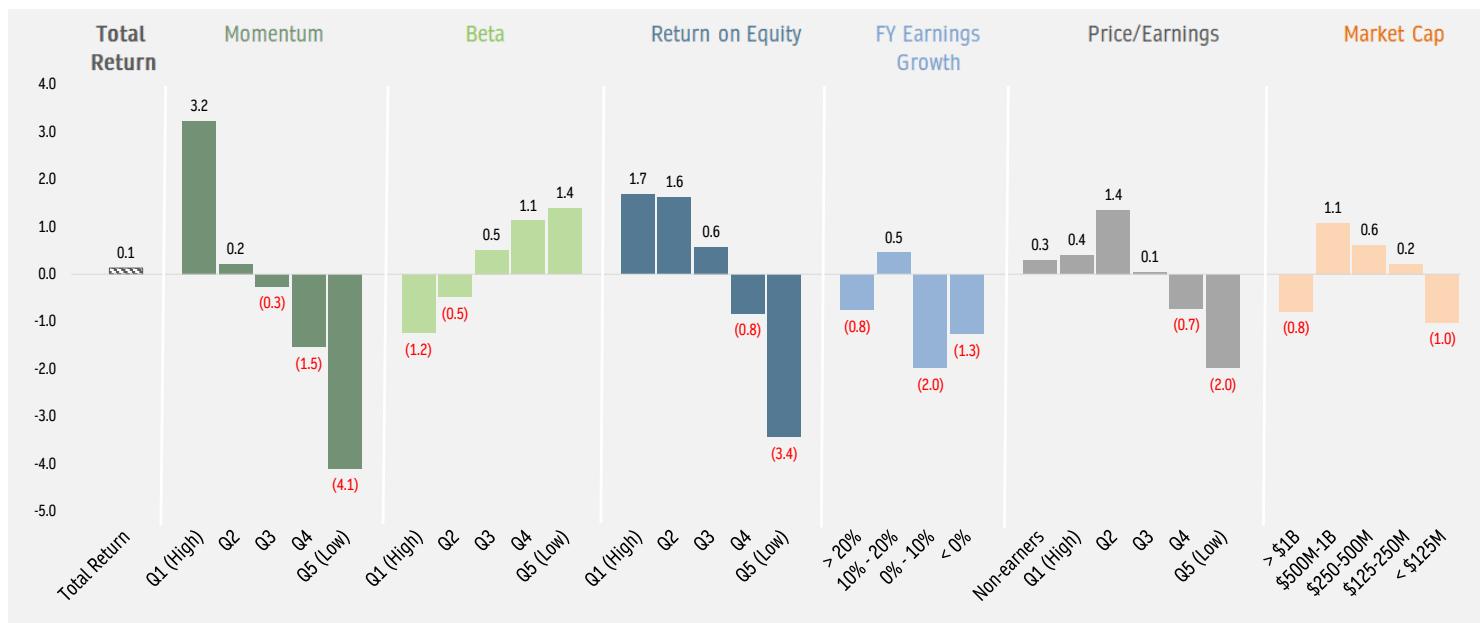

FTSE Global ex-US Micro Cap Index

As of June 30, 2024

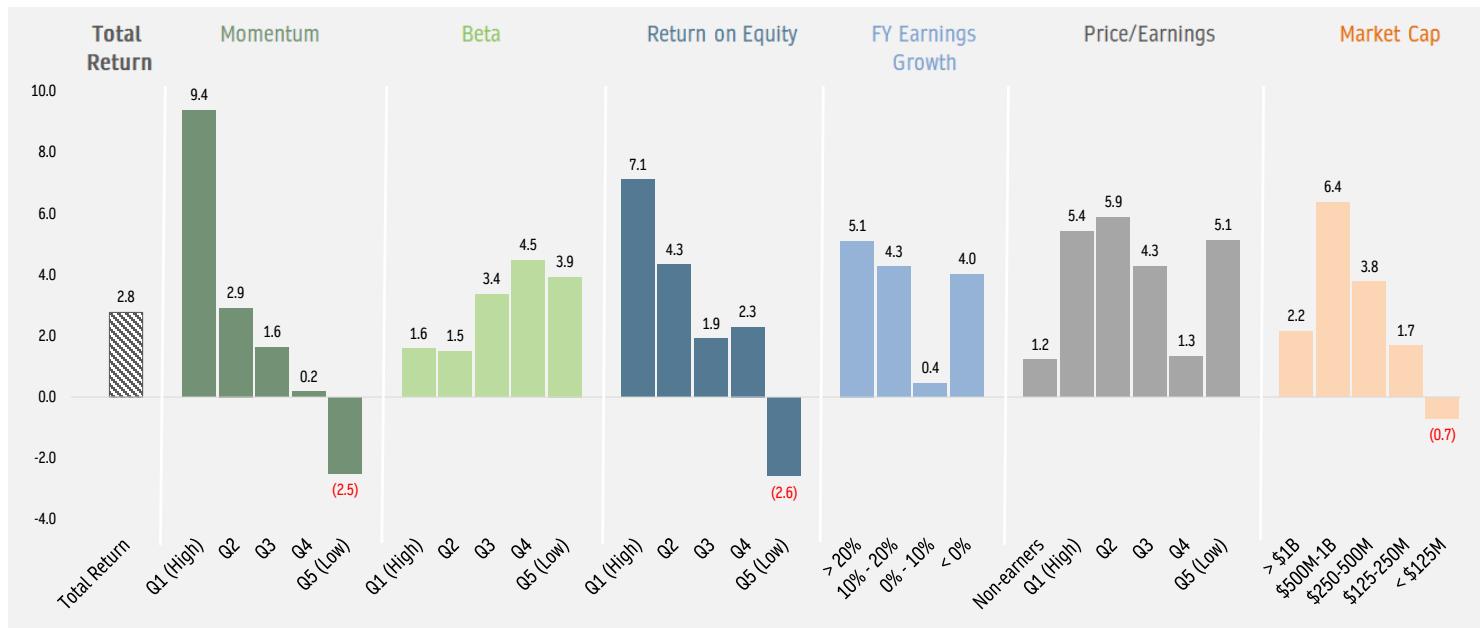

- In non-US micro cap, the highest momentum stocks were the standout performers in June, outperforming the lowest by 734bps. Lower beta, higher ROE and higher P/E stocks also outperformed in the month.
- Similar themes for Q2 with high momentum stocks performing best, followed by stocks with high ROE, while lower beta also outperformed.

Disclosures:

This research report provides general information only. Neither the information nor any opinion expressed constitutes an offer or an invitation to make an offer, to buy or sell any securities or any other instrument.

Sources: MSCI, FTSE Russell, Axioma, Factset

Neither MSCI nor any other party involved in or relating to compiling, computing, or creating the MSCI data makes any express or implied warranties or representations with respect to such data (or the results to be obtained by the use thereof), and all such parties hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability or fitness for a particular purpose with respect to any of such data. Without limiting any of the foregoing, in no event shall MSCI, any of its affiliates or any third party involved in or related to compiling, computing or creating the data have any liability for any direct, indirect, special, punitive, consequential or any other damages (including lost profits) even if notified of the possibility of such damages. **No further distribution or dissemination of the MSCI data is permitted without MSCI's express written consent.**

FTSE Russell is the source of the FTSE Russell Index returns and the owner of all trademarks and copyrights related thereto. Any further redistribution is prohibited. Russell is not responsible for the accuracy of this presentation and reserves the right at any time and without notice to change, amend or cease publication of the information.

Axioma factor returns are for the Axioma Medium-Horizon World-Wide Fundamental Equity Model. Axioma is the source of this data and the owner of all trademarks and copyrights related thereto. Any further redistribution is prohibited. Axioma is not responsible for the accuracy of this presentation and reserves the right at any time and without notice to change, amend or cease publication of the information.

Factset Research Systems, Inc. is the source of all weights, returns and contributions and the owner of all trademarks and copyrights related thereto. Axioma, Inc. is the source for the medium term momentum factor. Any further redistribution is prohibited. Factset, nor Axioma, are responsible for the accuracy of this presentation and reserves the right at any time and without notice to change, amend or cease publication of the information.
